(C) **LIST OF CLASSMATES/SPOUSES/PARTNERS**

FOR INCLUSION INTO SPECIAL MASS: **CORENEVSKY** **CORENEVSKY** reported that the original e-mail that asked for nominees to be included into a listing of ailing/sick classmates/spouses/partners, resulted in only 11 responses. There was floor discussion that related to the list being two months old, and perhaps there might now be additional nominees. Discussion also probed the possible issuance of an e-mail to ask for additional nominees. Also, there was dialogue on whether or not the Classmates desired to make a monetary “contribution” to the clergy of the church that would be selected to “say a Mass for the sick and ailing”. After discussions, it was determined that we would provide the selected church clergy, with a list that was specific for the first 11 responders, and which would also provide for the inclusion “of all other Classmates/spouses/partners”. Also, there was a motion on the floor, duly seconded, that resulted in the requirement that the Classmates provide a “monetary contribution” of \$50.00, payable from the existing kitty/fund. **CORENEVSKY** reported that he would seek the assistance of classmate Edward **LELLING** in the accomplishment of the special Mass.
